displaced more than To different kinds of Washing Machines. Augurgable machines displaced are the "American," "Buckeye," "Calkins' Champion," of Ci-irago, WHY "Champion," of Shelbyville, Ohio, "Continental," "Chairenge," "Doty," "Dexter," "E Pluribus Unum," "Hall's," "Jennings," "Little Giant," "Lightning," "Lady's Friend," "Putoam," "Success," "Steam Washers," "Inflerent kinds, "Yavkee," "Young America," "Steam Washers," of different kinds, "Yavkee," "Young America," "Young & Doll," and others.

Nearly all of the above named machines and many others can be secured from the undersigned, second hand and in good order, at helf price. The inventor of the "Naw" Dashaway extends a manutus cantainon for a variat of Machines to any one analysis and control of the "Naw" Dashaway extends a manutus cantainon for a variat of Machines to any one analysis and others.

WHY
This proposition is extended to any three "Steam Washers," or any three hand washers,

This proposition is extended to any three "Steam Washers," or any three hand washers.

The "Naw" Dashaway Machine is presented, not as an untried experiment, but as an accomplished fast, and wherever introduced its sales have been unprecedented, in many localities exceeding the sales of all other machines combined, its rales reaching as high as 200 in single townships, and embracing those than origins per cent, of the homesholders.

The Machine is nest and ornamental in appearance, is made of the very boot malerial, and constructed by first class mechanics, and with proper care will last 15 years. Manufactored at Jamestown, R. T., and Minerys, O.

Will be sent to any address on receipt of price, \$15, with privilege to return after two months trial if not found as represented. The Machine is wastannia in way porticular as here represented.

Experienced and energetic General and Lecal agents maded, to whom good Commissions will be given. Township, Comby and State Rights for sale.

Stock of Wa'l Paper, Shades, Lace Curtains and General House Furnish-PALMER & STALL. WASHING MACHINE.

This Washing Machine not only excels all other Washing Machines in the perfection of its wark, but is wansarran to wash clothes in every respect better than they can be washed by hand. It can be operated by a boy or girl ton years old, or by a woman not strong enough to wash by hand. It is aimply, sensible, strong, compact and durable, requires neither tabe nor washboards, and has nothing to get out of order. It requires neither tabe nor washboards, and has nothing to get out of order. It requires one-half less water and less soan than washing by hand requires, does not splash nor require the reliting up of sleeves, and makes the work of washing no more untilly than running a Sewing Machine. The machine will wash large or small articles, singly or in quantities, with perfect facility—will reach saything, from a single strand of the throad to the hosaics does not spire the related to washing he vey goods, washing and rinsing readily from 25 to 30 yards of heavy carpst per hour. The order of the Mohalme will save its cost yearly, on the saving of clothes slowed that are washed due a week will last fifty per cant longer than if washed on the ordinary washboard. In an ordinary family the Machine will save its cost yearly, on the saving of clothes slowe; besides, saving two-thirds of the time generally required in washing, and making the labor much lighter and pleasanter. The operation of washing requires no heading over—the spector stands evect, or, if preferred may sit down. Bo cause any new washing, and making the labor much lighter and pleasanter. The operation as they require it. The operator can change from one part for such as the operation of the saving the note parts, so that coulars, streaks, wristhands, stains, etc., can be washed, the note parts, so that coulars, streaks, wristhands, stains, etc., can be washed, in a such a streak will wash goods clean that famile sensor part for any germent rearrant relean, but will wash goods clean that famile sensor part of any germent rearrant relean, but will wash g
